A SUPPORTIVE AND STRUCTURED DAY CAMP FOR YOUNG
PEOPLE WHO REQUIRE ADDITIONAL SUPPORTS TO ACCESS
THE JOYS OF SUMMER CAMP

JULY 31 - AUGUST 11, 2023 • 9 AM - 3 PM

MISSION

Camp O thoughtfully embeds social and emotional learning into camp activities.

A low staff to camper ratio (1:4) allows for increased interaction and supervision with highly qualified and trained staff members.

With counselor support, campers will experience activities, such as:

- Water Day • Team Sports • Dance + Music • STEM
- Talent Show • Camp Olympics • BBQs • Arts + Crafts

Campers will partake in joy and silliness, discover new interests, make friends, build confidence, and help create a dynamic Camp O community!

CAMPER PROFILE

Camp O campers are young people between the ages of 6-15. They are both interested (they have lots of passions and a desire to engage socially) and interesting (they are bright, kind, funny, and unique!). In addition to their strengths, Camp O campers sometimes struggle to exhibit flexibility, try something new, respond to change, solve social problems, or form healthy friendships.

Camp O campers have a lot to give but need help navigating the complexities of a new social setting – like summer camp! Camp O campers may have formal diagnoses such as autism spectrum disorder (ASD), social communication disorder, anxiety disorders, learning disabilities, obsessive compulsive disorder (OCD), and attention deficit disorder (ADD/ADHD). Some campers may not have a formal diagnosis but may exhibit characteristics consistent with these diagnoses.

Campers must be able to maintain safe behavior and remain in their groups without continuous 1:1 supervision.

EXPERTISE

Camp O was thoughtfully developed by a team of staff members at the Sonia Shankman Orthogenic School (the O-School).

The O-School is a therapeutic day school with over a century of experience serving students with significant mental health and emotional challenges and those on the autism spectrum.

The Camp O Leadership Team has a combined experience of 25 years at the O-School and includes a licensed and certified speech language pathologist.
